

INVITATION TO PARTICIPATE IN OUR BUSINESS SPONSORSHIP PROGRAM

Operating 12 months of the year from the Kingscliff Aquatic Centre, the Kingscliff Swimming Club provides swimmers of all ages and abilities with a friendly environment in which they can participate, have fun, and achieve at their pace.

As we commence our 2023-2024 swimming season, we are asking you to consider supporting the swimming development of these incredibly dedicated and talented young swimmers by participating in our business sponsorship program.

This year, Alex and Myla represented our Club at the National State Age Swimming Championships on the Gold Coast.

We had a great team representing us at the Swimming North Coast regional championships with Raff and Finn being awarded age champions.

Our club swimmers have broken multiple Swimming North Coast overall records in the last year gaining a total 23 Short Course overall Records and 5 Long Course overall records.

We have had many swimmers represent and place for our club at regional levels and at Queensland and NSW state championship meets. We have also had 2 swimmers make the NSW state team at School National level.

A significant number of other club members have represented our Club at NSW and Qld State Championships, Swimming North Coast Regional Championships or Carnivals and their Secondary or Primary Schools at State Swimming meets.

We also conduct weekly club races from October to March where swimmers are given the opportunity to compete in a program of events and naturally develop their swimming talents throughout the season.

Our membership has increased substantially and with 95% of our members now aged 13 & under we want to be able to support and develop these members to the best of their swimming potential!

WILL YOU BE THE BUSINESS THAT HELPS THE NEXT GENERATION OF OLYMPIANS?

Okay, so our swimmers don't all have their sights set on Olympic gold, but it doesn't hurt to dream, does it?

When you invest in our Sponsorship Program, you'll be helping our swimmers of all abilities in a variety of ways, both big and small. And that deserves a medal, right?

Here's how your sponsorship will help our club and our swimmers tick off some big goals.
